State Registered & NJFCCPA Member since 1996

Monmouth County Representative since 2000

Communications Coordinator & Technology Chair, 2010

C.I.T.E. Central Board Member

### A Gentle Approach to Infant & Toddler Care

Every child in my care gets individualized attention and participates in their own way in our daily activities. Peace of mind comes from small group care -- no worries about caregiver turnover. Children enjoy interacting with their buddies, under my watchful eye, in a stimulating child-safe, and child-friendly environment.

Fun Weekly Themes and Activities

Preschool Program (16 months & up)

Art Process Experiences

Music and Movement

Computers

Fine Motor Skills

Social/Role Play

Sensory Experiences

Outdoor Play Every Day

My name is Michele Gregorio, I am a State Registered Child Care Provider in Howell since 1996, Child Development Associate Accredited, First Aid & CPR Certified. I am dedicated to helping children experience the highest level of care available and pursue this goal through ongoing education and professional development. I serve NJFCCPA on the Executive Board and as Monmouth County Representative, and I was nominated to serve on the Central Board of C.I.T.E. (Coalition of Infant-Toddler Educators). I am the mother of two, active in a number of children's causes and organizations. Ongoing professional development is very important to me -- I have earned the Child Development Associate Designation and I am working toward the NJ Infant/Toddler Credential.
