### Twinkle Twinkle Little Star...

At Mom's Melody, every little one is a star getting personal attention and loving care. The warm and homely environment fills the little one with sparkle and joy. Child safety and education is definitely a priority but so is fun and enjoyment.

I am a State Registered Child Care Provider. I am CPR and First Aid Certified. I have an Associate's degree in Child Day Care Management and am also a certified Montessori teacher. I am a member of NJFCCPA and NAFCL.

Some daycare activities are as follows:

Music and dance

Craft and artwork

Book reading and educational sessions

Stimulating group activities

Outdoor activities

*Note: These activities are carefully chosen and imparted based on the child's age*

Being a mother of two, I strive to understand both the children and the parents. Every family is unique and so is every child. I endeavor to give individual attention and comfort to each little one as per his or her needs.

Please feel free to contact and schedule an appointment, as per your convenience at the number listed above. Thanks for your interest.
